NINE & DINE

Golf Invitational to benefit the

MORICHES COMMUNITY CENTER

MORICHES COMMUNITY CENTER was incorporated in 2000 by community leaders wanting to create a safe, well supervised place for local youth during out-of-school times. Our mission is to prevent youth involvement in negative behaviors, develop healthy relationships between youth and adults, and provide outreach assistance to families in need, thereby improving the quality of life for all area residents. Moriches Community Center is a well respected community leader with a reputation for providing high quality programs and activities to about 950 youth and their families yearly, mostly without charge, including Open Rec nights, After School Tutoring, Peer Leadership, Drop in Lounge, summer camps, IGHL Fitness Fun, and Community Outreach.

In 2012, in response to the opioid crisis sweeping the nation, we initiated Moriches Bay in the kNOw Prevention Coalition. An alliance of community members from all sectors, we are educating parents and teens about the risks of teen substance use, initiating prevention strategies, and acting as a resource for families in crisis.

Exciting news! Thanks to the Town of Brookhaven's recent purchase of the Center Moriches Knights of Columbus Hall, Moriches Community Center will soon have a new home! Proceeds from fundraisers like the "Nine & Dine" golf outing will allow us to expand program offerings so all local residents can enjoy our new community center home! **Please help us achieve our goal by joining us for "Nine & Dine," or by being a sponsor!**
